## (October 2011)

**Edited By: Prof. M. Ishtiaque Ahmed**

October was a very busy month. All our teachers were engaged in assessment of the scripts of half yearly Examinations, tabulation of mark sheets and preparation of results, Extra –curricular activities for students were not under taken.

1. **BRAIN – STORMING COMPETITION FOR STUDENTS:**

Wisdom, intelligence, imagination and memory are essential for creative works. A speech contest was arranged for teachers to help them develop their imagination and power of expression. Four topics were given and all teachers were asked to speak for 3 minutes on any one of them. These were the topics:

- (a) Aur phir aisa howa**
- (b) Main khawab dekhti hoon**
- (c) Agar mujhe doosri zindagi milay**
- (d) Aik din aisa howa**

The contest was held on 28<sup>th</sup> October 2011. Maan Jee and Mr. Javed Akhtar were also present.

All teachers spoke well and beyond our expectation. Some speeches were descriptive, some were exploratory and some others were imaginative and humorous. Everyone enjoyed this session.

The sessions ended with some words of appreciation from Maan Jee.
