## QUARTERLY NEWSLETTER

### JULY AUGUST AND SEPTEMBER 2019

#### BEGINNING OF NEW SESSION 2019-20:

---

The beginning of a new session is always a time filled with excitement. It was a warm atmosphere; the day was filled with mixed emotions both for teachers and children. The children were welcomed by teachers with a warm smile as they walked in.

The day kicked off with positivity and cheer. Teachers were seen making students comfortable and cozy in their new classrooms. Everyone was feeling excited and felt glad to meet their old friends, new teachers and a new schedule.

The **“Welcome Assembly”** was held for students by the teachers. Students enthusiastically performed a mass drill for warm up and to feel refreshed. Teachers conveyed a simple message to the children to follow rules, do good work and keep their belongings at proper places.

As the school bells start ringing, let us all look forward for a bright year ahead and make it productive and inspiring for our children.

## Eid Milan Party:-

MaanJee Welfare School arranged an Eid Milan Party for its students. Students wore their Eid clothes to school and brought various food items to share with their friends. The school had arranged fun activities for the students such as singing, musical chair, truth and dare etc. Prep classes students also made the day memorable by dancing.

## **Medical Camp in MaanJee School:-**

Free medical camp plays an important role in the health of students and the community. Good physical and mental health and good nutrition have great impact in students'

life. These camps basically concentrate on health-related issues for school going children.

Free medical camp can provide access to healthcare for these students who may not receive care. Students have to face a lot of hardships while accessing to healthcare services due to long distances to hospitals, lack of good transportation, work demands of students' parents, poverty, and the cost of healthcare. The camp was succeeded, 80% parents came and discussed health problem to Doctor. The team took sugar, cholesterol test and prescribed medicine, some medicine gave to patients without any cost.

## **Independence Day celebration:-**

. Independence Day, is celebrated annually on the 14th of August. This day commemorates the independence and the end of the colonial rule of the British, achieved in 1947. The British had ruled India since the 18th century. This foreign rule ended in 1947.

It is celebrated throughout the country with the ceremonial raising of the national flag and the

distribution of sweets. The flag raising and public cultural programs take place in all Schools.

## Co-curricular Activities in school:-
